

It Gets Worse

Mindless Self Indulgence

[Gotta hear what I gotta say because you wont hear it again, I am the truth!]Hey, you, baby you don't know how bad it's gonna get.

If you think shit sucks now, you ain't seen nothing yet.

Because it doesn't get better,

Unless you're pretty.

Because it doesn't get better,

Unless you got money.

It doesn't get better,

So just give up.

It never gets better,

NO!It gets worse.

You're gonna die alone.

Oh-oh-oh shit yeah.

It gets worse.Now I'm no psychiatrist,

I'm no doctor with no degrees.

But it don't take no fucking scientist to figure out that there is nothing in this world for me!

Because it doesn't get better,

Unless you're pretty.

It doesn't get better,

Unless you got money.

It doesn't get better,

So listen the fuck up.

It never gets better,

NO!It gets worse.

You're gonna die alone.

Oh-oh-oh shit yeah.

It gets worse.You're going down the road,

The same one that we have.

We cannot wait to watch life kick you in your ass!

I shed a little tear for all of you out there.

Theres no way to escape. (x2)

Welcome to hell! (x6)Because it doesn't get better,

Unless you're pretty.

It doesn't get better,

Unless you got money.

It doesn't get better,

So just give up.

It never gets better,

NO!It gets worse.

So long cruel world!
Oh-oh-oh shit yeah.
It gets worse.It. Gets. Worse.
