

Mod Lang

Big Star

I can't be satisfied
What you want me to do?
And so I moan
Had to leave my home Love my girl, ooo yeah
She got to save my soul
I want a witness
I want to testify How long can this go on?
How long can this go on? All night long
I was howling
I was a barking dog
Aao, aao I can't be satisfied
What you want me to do?
I want a witness
I want to testify How long can this go on?
How long can this go on?
Woo, ooo All night long I was howling
I was a barking dog
I want a witness
I want to testify
