

# Better Than I Ought To Be

## Randy Rogers Band

Well, I'm a whole lot better than I ought to be  
Don't know why things keep going right for me  
All I've ever done is run wild and free  
I'm a whole lot better than I ought to be  
Well, I guess I must've done something right  
Some other time or place, maybe some other life  
There's no way I deserve how I've been blessed  
If it was up to me I'd still be a mess  
'Cause I'm a whole lot better than I ought to be  
Don't know why things keep going right for me  
All I've ever done is run wild and free  
I'm a whole lot better than I ought to be  
And oh, I don't wanna wake up  
I just wanna keep living this dream  
Oh, I could never make up  
Anything as good as what's happening to me  
Well, I try my best but I can do no wrong  
Blues come my way but they never stay long  
I thought I had it all when I didn't have a buck  
Now it ain't easy having all the luck  
'Cause I'm a whole lot better than I ought to be  
Don't know why things keep going right for me  
All I've ever done is run wild and free  
I'm a whole lot better than I ought to be  
All I've ever done is run wild and free  
I'm a whole lot better than I ought to be
