

American Science (2010 Digital Remaster)

Duran Duran

It's a little bit late now
But there is times you will
Get a little bit out of hand
Making all of a spill
And if we can lay this down
You're going all the way
Take a look and I'll check it out
Cause I can always find it
Such a lonely Place... Ooooh
This room without your face...Ooooh
Ooooooh...American Science
All night long
She can two-step and sway
Ooooooh...it's such poor manners
Don't keep me waiting
Come lay down beside me
A little megalomania
Becomes you evidently
There ain't a thing you can't acquire
With your cling-wrap plaything
Just look at this state
I crawl around in a daze
Like symptomatic case
Of your soul persuasion
Such a lonely Place...Ooooh
It moves me into place...Ooooh
Ooooooh...American Science
All night long
She can two-step and sway
Ooooooh...it's such poor manners
Don't keep me waiting
Come lay down beside me
Such a lonely Place...Ooooh
It moves me into place...Ooooh
Ooooooh...American Science
All night long
She can two-step and sway
Ooooooh...it's such poor manners
Don't keep me waiting

Come lay down beside me
