

# Rose Garden (Live at the Wiltern)

## Nick Jonas & the Administration

She was brought into this world  
Out of a beautiful mistake  
When her mom was just a girl  
And her daddy didn't stay  
She was working at age nine  
At the flower shop in town  
Working not just to survive  
Cause life was throwing her around  
In the rose garden  
Where the rain is falling  
And the thorns are sharp in the  
Rose garden, yeah  
Rose garden  
She was young but not naive  
Always wise beyond her years  
Hoping that no one would see  
Every time she dried her tears  
In the rose garden  
Where the rain is falling  
And the thorns are sharp in the  
Rose garden  
Don't let those petals fall  
Don't let them fall on you  
Don't let those petals fall  
Don't let them fall on you  
Yeah, yeah, yeah  
In the rose garden  
Where the rain is falling  
And the thorns are sharp in the  
In the rose garden, yeah  
Rose  
Haley is in the rose garden
