I Don't Mind

Ideal

Rock-a-rock-a, baby
We could rock-a-rock, rock-a-rock-a-rock
Rock-a-rock-a, baby
We could rock-a-rock, rock-a-rock-a-rockRock-a-rock-a, baby
We could rock-a-rock, rock-a-rock-a-rock
Rock-a-rock-a, baby
Rock-a-rock-a-rock, rock-a-rock-a-rockThe time is right, no time for games
Gonna make you know my name
When we make love, I want it more
We do the things I never seen beforeBaby, we can do it fast or very slow
I can love on top or I can love you low
There ain't nothing that I would not do for you
'Cuz baby, tonight we're gonna do what you wanna do
And however you need itI don't mind if you like
To get together for a while baby, if you like
Give you everything that you'll ever need
'Cuz baby, you bring out the freak in meI don't mind if you like
To get together by the candlelight tonight
Show you everything, you just wait and see
'Cuz baby, you bring out the freak in meSpend the night, let's do some things
Lose control, feel no shame
I'm feeling you like you're feeling me
I'm 'bout it, girl, get going [Inaudible]
(Crazy)Baby, we can do it fast or very slow
I can love on top or I can love you low
There ain't nothing that I would not do for you
'Cuz baby, tonight we're gonna do what you wanna do
And however you need itI don't mind if you like
To get together for a while baby, if you like
Give you everything that you'll ever need
'Cuz baby, you bring out the freak in meI don't mind if you like
To get together by the candlelight tonight
Show you everything, you just wait and see
