

Need To Feel Loved

Sander van Doorn & LVNDSCAPE

Come catch me babe, I'm fallin
Come n save me baby, I'm calling
Come and be with me babe
Come as you are
Come catch a fire babe
Don't let me fade away
Don't let me fade away (Fade, fade)
Come catch a feeling
It left a fire in me
Eyes wide open
I'm dreaming
Come catch a feeling, it's electryfying me
Eyes wide open, i'm dreaming
Free falling baby, awake before i'm down
Free falling baby, awake before i'm down
(Awake before i'm down)
Free falling baby, I need to feel love
Come hold me babe, I need to feel love
I need to feel love (Fade, fade)
I'm in love, in love, in love, in love
I'm in love, in love, in love, in love
I'm in love, in love, in love, in love
I need to feel love
In love, in love, in love, in love
I'm in love, in love, in love, in love
I'm in love, in love
Come hold me babe, I need to feel love (Fade, fade)
