

# Cosmic Dancer (Live Summer Tour 1971)

T. Rex

I was dancing when I was twelve  
I was dancing when I was aaah  
I danced myself right out the womb  
Is it strange to dance so soon  
I danced myself right out the womb I was dancing when I was eight  
Is it strange to dance so late  
I danced myself into the tomb  
Is it strange to dance so soon  
I danced myself into the tomb Is it wrong to understand  
The fear that dwells inside a man  
What's it like to be a loon  
I liken it to a balloon I danced myself out of the womb  
Is it strange to dance so soon  
I danced myself into the tomb  
But when again once more
