

Sway

Coal Chamber

The roof, the roof, the roof is on fire
We don't need no water
Let the motherfucker burn
Burn motherfucker burn
The roof, the roof, the roof is on fire
We don't need no water
Let the motherfucker burn
Burn motherfucker burn
The roof, the roof, the roof is on fire
We don't need no water
Let the motherfucker burn
Burn motherfucker burn
The roof, the roof, the roof is on fire
We don't need no water
Let the motherfucker burn
Burn motherfucker burn
Burn, burn
Burn, burn
Just a little and nothing now it's over
Just a little and nothing now it's over
What you said, no you're never gonna say again
In your own special way you tear me down
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Neither up nor down, just been turned and turned
It just sits inside, so it burns and burns
If I can't decide what makes you hurt
In your own special way you tear me down
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic

Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
So ask me please, please
So ask me please, please
So ask me please, please
So ask me please, please
Give me something good
Now something good
Give me something good
Now give me
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Sway, so hypnotic
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Come sway this way
Sway, come sway this way
Sway, come sway this way
Sway, come sway this way
Sway, come sway this way
