

Dusted (Demo) [Bonus Track]

Sepultura

You make me mute
Hiding the truth
Revealing a false
Created by your mind What do you expect
Exposing your lies
Printed in your eyes
There's no alibi To cooperate and not be allowed
They're killing my name, sewing my mouth Prospect in life
Lost in the line
To cooperate
And just be alive You gonna fall hiding the truth
You gonna crawl finding the truth
To blame myself it's my disgrace
To blame the world by my mistakes Dusted [Repeat: x3] Turn around and turning around
And turning around and inside out
Turn around and turning around
And turning around and inside out Do not disturb !
Leave me alone
The fear within inside and beyond
The fear within inside and beyond You make me mute
Hiding the truth
Revealing a false
Created by your mind What do you expect
Exposing your lies
Printed in your eyes
There's no alibi You gonna fall hiding the truth
You gonna crawl finding the truth
To blame myself it's my disgrace
To blame the world by my mistakes Dusted [Repeat: x6]
