

Twisted Soul

Pint Shot Riot

Keep your friends close keep your enemies closer with arms hearing from 2 years older. Turn it around, it's so
real faster with your hands in the air, you know this ain't gonna last. I can't stand you,
I can't stand you,
You know things that always come back to fight you. The world sees doubled the world sees dooie,
We just see the only thing that confuses you. Twisted soul,
You know this isn't finished,
Twisted soul,
You know this isn't finished,
You know a wish door opened now. Broken promises pretend request,
Well that's what you used to that's what you do best. You need to find someone take me hoping and bitching'
Well let me tell you desperation is not that attractive. Cause I can't stand you,
I can't stand you,
You know things that always come back to fight you. The world sees doubled the world sees dooie,
We just see the only thing that confuses you. Twisted soul,
You know this isn't finished,
Twisted soul,
You know this isn't finished,
You know a wish door opened now. Twisted soul!
Twisted soul!
Twisted soul!
Twisted soul!
