

Motorcycle Man (Saxon Over Sweden 2011)

Saxon

Do not stop me do not try
Cause I'm a motorcycle man
I get my kicks just when I can
Motorcycle man
Motorcycle man
I can beat your street machine
We're taking risks, that's what we mean
Cause I'm a motorcycle man
We get our kicks just when we can
When we can
Motorcycle man
Motorcycle
If you see me riding by
Do not stop me do not try
Cause I'm a motorcycle man
I get my kicks just when I can
When I can
Motorcycle man
Motorcycle man
Motorcycle, motorcycle
Motorcycle man
I can beat your street machine
I'm taking risks, that's what I mean
Cause I'm a motorcycle man
We get our kicks just when we can
When we can
Motorcycle man
Motorcycle man
Motorcycle, motorcycle
Motorcycle man
