

# What It Feels Like

[aMina Buddafly](#)

Looking out my window  
On a Monday night  
Thinking 'bout how I got myself into it this time  
Love in good intentions  
I know we've got them both  
So I'm aware I should be where I let you get too close  
Something I know is that  
I never felt a love like this  
And no matter how it ends  
I'd do it all over again  
And nothing can make me turn away from you  
Or no matter if I lose, I'll be glad that I had you, so  
I know what it feels like  
I know what it feels like  
I know what it feels like now  
If you're of deception  
I've gotta satisfy my greed  
Knowing I might very well get left in agony  
Still I keep on longing  
For one moment as it lasts  
And I don't see why I should leave this beautiful big mess  
Something I know is that  
I never felt a love like this  
And no matter how it ends  
I'd do it all over again  
And nothing can make me turn away from you  
Or no matter if I lose  
I'd be glad that I had you, 'cause I know what it feels like  
I know what it feels like  
I know what it feels like now  
I know what it feels like  
I know what it feels like  
I know what it feels like now  
Maybe I should be afraid  
Maybe I should put the brakes on  
Let go, let you move on  
But I'm living for today  
And wherever my destiny takes me  
I know it's with you here

Something I know is that I never felt a love like this  
And no matter how it ends  
I'd do it all over again (I'd do it all over)  
Nothing can make me turn away from you  
And no matter if I lose (no matter) I'd be glad that I had you, 'cause I know what it feels like  
I know what it feels like  
I know what it feels like now  
I know what it feels like  
I know what it feels like  
I know what it feels like now Looking out my window  
On a Monday night  
Thinking 'bout how I got myself into it this time
