When I Go

[Keaton Simons](#)

On the day that I almost lost my mind
I was feeding this dirty habit of mine
I'd been drunk on your lies
I was buried alive
I've been so blind
I was tempted by fate
And I'll bend till I break
But I'll be fineCause ya knowWhen I go
(Time to go, time to go)
I'm never coming back
When I go
(Time to go, time to go)
I'm never coming back
When I go
(Time to go, time to go)
I'm never coming back
When I go
(Time to go, time to go)
I'm never coming back
NoOn the day that I almost lost my soul
I was standing at the crossroads
But I didn't fold
We've been up
We've been down
But you pushed me around for the last time
It's a fight to the death
It'll take your last breath
But I'll be fineCause ya knowWhen I go
(Time to go, time to go)
I'm never coming back
When I go
(Time to go, time to go)
I'm never coming back
When I go
(Time to go, time to go)
I'm never coming back
When I go
(Time to go, time to go)
I'm never coming back
