

Don't Let It End

Styx

What can I do pictures of you still make me cry
Trying to live without your love, it's so hard to do
Some nights I'll wake up I'll look at your pillow
Hoping that I'll see you there But I get up each day
Not much to say I've nowhere to go
Loneliness fills me up inside 'cause I'm missing you
So if you'll give us a chance to remember the love we had once together Wait and see time is all that we really
need
I'm praying you won't say no, I mean to tell you Don't let it end
Baby we could have so much more
Don't let it end
Honey please don't walk out that door I'm telling you baby, I made my mistakes
But I'll make you this promise to do what it takes
I'll be there to protect you and hold you tight
You got my lovin' baby every single night Don't let it end
I'm begging you, don't let it end this way
Don't let it end
I'm begging you, don't let it end this way Don't let it end
Baby we could have so much more
Don't let it end
Honey please don't walk out that door Don't let it end
I'm begging you, don't let it end this way
Don't let it end
I'm begging you, don't let it end this way, no, no, no
No, no, no What will I do if you say we're through?
I need you to stay, honey don't let it end this way
