I'll Always Be Waiting for You

Sierra Hull

It's been a while now since you held me,
and told me what was on your mind,
won't you lay down with me and talk it over,
don't feel like you're running out of time.
Chorus:
when you're far away from me darlin'
and it seems you don't know what to do,
when it seems like no one cares about you,
i'll always be waiting for you.
I'll admit I took some things for granted, didn't mean to push you away,
but remember that night in montana,
i'll always love you that way.
Chorus:
when you're far away from me darlin'
and it seems you don't know what to do,
when it seems like no one cares about you,
i'll always be waiting for you.
when you're far away from me darlin'
and it seems you don't know what to do,
when it seems like no one cares about you,
i'll always be waiting for you.
I'll always be waiting for you.
