

# Werewolves

## Skyforger

Today I went to speak to God,

But the sky was empty.

And the clouds fell down around me and you.

As we stood hand in hand I hope you'd invent me,

A sea of love in which to drown.

Me and you,

We're going to hell,

Just because we're werewolves,

We're werewolves,

A-oo,

A-oo,

A-oo.

My love it's quite a thrill,

Darling, I'll be your werewolf,

You're werewolf,

A-oo

A-oo

A-oo

So, little miss,

Imagine this:

We're intwined,

And hopeless.

And the world turns upside down,

Without you.

And we're going to hell,

Just because we're werewolves,

We're werewolves,

A-oo,

A-oo,

A-oo.

My love it's quite a thrill,

Darling, I'll be your werewolf,

A-oo.

It's 11:57,

She tastes so sweet,

And I want more.

Just a second,

Lay in heaven,

As my heart hit-hit-hits the floor.

So,

(We're werewolves, we're, we're, we're) We're going to hell,

(We're werewolves, we're, we're, we're) Just because (We're werewolves, we're, we're, we're) we're  
werewolves,

We're werewolves,

A-oo,

(We're werewolves, we're, we're, we're) A-oo,

A-oo.

(We're werewolves, we're, we're, we're) My love it's quite a thrill,

(We're werewolves, we're, we're, we're) Darling, I'll be (We're werewolves, we're, we're, we're) your  
werewolf,

your werewolf

A-oo

(We're werewolves, we're, we're, we're) A-oo-oo

(We're werewolves, we're, we're, we're x2) Ooh

(We're werewolves, we're, we're, we're x2) A-oo

(We're werewolves, we're, we're, we're x2) Ooh
