

# Get Out

## Bile

voices screaming to reject my will  
engulf me  
control me  
command me to kill  
ripping and tearing and fucking me to death  
raging flame of hate inside builds with every single breath....  
IN FRONT OF ME-BEHIND ME-SURROUNDS ME  
GET OUT  
constant vibrations twist thru my blood  
thrusting me forward to what i've come to love  
i'm getting beat with my own brain to slaughter with a smile  
my ears bleed  
my eyes cross  
i'm drowning in me own bile.....  
IN FRONT OF ME-BEHIND ME-INSIDE ME-SURROUNDS ME  
GET OUT  
VANISH
