

# Let Us Be Loving (Yellowtail Remix)

[Alice Russell](#)

I sat alone and watched TV  
What a feeling can't be changed  
As they say a smile won't catch your eye  
So goodbye, goodbye, goodbye to lovingLet us be loving, let us be loving  
Let us be, let us be, lets us be  
Let us be, let us be, lets us beAnd the grass out there on the riverside  
It don't have to grow  
Out into this forest wide  
You reap just what you sowLonely in this jungle deep  
A smile won't catch my eye  
So goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye  
So goodbye, goodbye, goodbye  
Goodbye, goodbye to lovingLet us be loving, let us be loving  
Let us be, let us be, lets us be, let us be  
Let us be, let us be, lets us be  
So goodbye, goodbye to lovingKeep on keep on keep on  
Keep on keep on keep on  
Keep on keep on keep on  
Loving, lovingKeep on keep on keep on  
Keep on keep on keep on  
Keep on keep on keep on  
Loving, loving
