

# Tracks of My Tears

Linda Ronstadt

People say I'm the life of the party  
'Cause I tell a joke or two  
Although I might be laughing loud and hearty  
Deep inside I'm blue So take a good look at my face  
You know my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears Oh, I need you, need you Since you left me if you see me with another guy  
Looking like I'm having fun  
Although he might be cute he's just a substitute  
Because you're the permanent one So take a good look at my face  
You know my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears, oh Outside, I'm masquerading  
Inside my hope is fading  
I'm just a clown since you put me down  
My smile is my make-up I wear since my break-up with you Baby take a good look at my face  
You know my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears Woah baby take a good look at my face  
You know my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears, ooh
