

More Than Alive (Acoustic)

The Ready Set

I don't want to slow, slow, slow, slow down, down
Hey hey hey
Slow down slow down
Hey hey hey You go for seconds and days
I live for moments to say
That I may never get a second chance
Don't throw it away
Living for dollars and dimes
They'll all diminish in time
Oh let that motion come crashing
Like a plane from the sky
It was a long ride down the east coast
In a city can't keep
Could you keep up on your feet
And I was struck down by the west coast
It was a quarter to three but it don't do sleep But follow the freeway
Break the routine
'Cause everything is second to your dreams
If this is the green light
Take what you need
And break out of this hospital scene
I'm running through a stop sign
Cuttin' up the brake lines
I don't want to slow slow slow slow down down
I'm running through a stop sign
Living so it feels right
I don't want to slow slow slow slow down down
Don't wanna slow it down Thought I'd give impatience a try
Got a little enveloped in time
'Cause I watch you come and watch you go
And it don't seem right
Living for speed limit signs
Ignoring cross every line
Gotta let emotion take you over 20 miles at a time But follow the freeway
Break the routine
'Cause everything is second to your dreams
If this is the green light
Take what you need
And break out of this hospital scene

I'm running through a stop sign
Cuttin' up the brake lines
I don't wanna slow slow slow slow down down
I'm running through a stop sign
Living so it feels right
I don't want to slow slow slow slow down down
Don't wanna slow it down I'm running through stop sign
Got the world on my side
No brake lights feeling more than alive
But it's so bright city shine on, shine on tonight, tonight
I'm running through stop sign
Got the world on my side
No brake lights feeling more than alive
But it's so bright city shine on, shine on tonight, tonight, tonight But follow the freeway
Break the routine
'Cause everything is second to your dreams
If this is the green light
Take what you need
And break out of this hospital scene
I'm running through a stop sign
Cuttin' up the brake lines
I don't wanna slow slow slow slow down down
I'm running through a stop sign
Living so it feels right
I don't want to slow slow slow slow down down
Don't wanna slow it down
Stop sign
Cuttin' up the brake lines
I don't wanna slow slow slow slow down down
I'm running through a stop sign
Living so it feels right
I don't want to slow slow slow slow down down
Don't wanna slow it down slow it down slow it down
