

Just Wanna Sex You

Keith Sweat

I'm an addict when it comes to makin' love
I need it 24/7, that's for sure
Like the Energizer bunny
I keep going and going and going and going Anywhere you want it that's all good with me
Cause I'm an animal and it's time for me to freak
I can take slow or I can beat it up
Beat it up, beat it up Ooh baby I want
Sex in the mornin'
Sex in the evenin'
Sex in my Jeep
Girl I wanna freak you Sex on my lunch break
Sex at the work in
Sex in a strange place
I just wanna sex you babe
I just wanna sex babe When it comes to sex all night, girl I'm the one
It's badly when your hooey is the one
Girl I like it when you tease me
Make me want it, make me want it, make me want it
Ooh make me want it, yea I got a thing for sexy lips and curvy hips
But nothing could compare to sexy legs, no
If you want this act right next here, be sure you're that ready
Be ready, be ready Ooh baby I want
Sex in the mornin'
Sex in the evenin'
Sex in my Jeep
Girl I wanna freak you Sex on my lunch break
Sex at the work in
Sex in a strange place
I just wanna sex you babe
I just wanna sex babe Ooh baby I want
Sex in the mornin'
Sex in the evenin'
Sex in my Jeep
Girl I wanna freak you Sex on my lunch break
Sex at the work in
Sex in a strange place
I just wanna sex you babe When it comes to makin love, girl
Baby I'm the freakiest thing
When it comes to sex in all night long

I can go all night long
When it comes to makin love, girl
When it comes to makin sweet love, yea
When it comes to sexin all night long
I'ma work it baby, ooh
Sex in the mornin'
Sex in the evenin'
Sex in my Jeep
Girl I wanna freak you
Sex on my lunch break
Sex at the work in
Sex in a strange place
I just wanna sex you babe
Sex in the mornin'
Sex in the evenin'
Sex in my Jeep
Girl I wanna freak you
Sex on my lunch break
Sex at the work in
Sex in a strange place
I just wanna sex you babe
I just wanna sex babe
