

Texas Against the World

Tales Of Terror

Yeehaw!
When I woke up this morning
-----(?) gun in my hand
I got the boys together
-----(?) land-----(?) been around
But we all -----(?)
And there's something we've got to say!
Texas against the world!
Texas against the world!
HahahaWell, I got ten gallon hats
To match them with ten gallons of beer
We've got to get to Austin
Big Bird is always there-----(?) been around
But we all -----(?)
And there's something we've got to say!
Texas against the world!
Texas against the world!
Take it Trip!
Yeehaw, yeehaw, yeehaw
Texas against the world!
