

Police In Helicopter

John Holt - Police In Helicopter

Yes boss, yes boss, yes boss, yes boss...Police in helicopter, a search fi marijuana.

Police man in d streets, searching fi collie weed.

Soldiers in d field, burnin d collie weed.

But if you continue to burn up d herbs, we gonna burn down d cane fields.

If you continue to burn up d herbs, we gonna burn down d cane fields.

Soldier in d herb field, burnin d collie weed.

Police in helicopter, a search fi marijuana.

Police man in d streets, searching fi collie weed.

But if you continue to burn up d herbs, we gonna burn down d cane fields.

If you continue to burn up d herbs, we gonna burn down d cane fields.

OhhPolice in helicopter, a search fi marijuana.

Police man in d streets, searching fi collie weed.

Police men in d fields, burnin d collie weed.

But if you continue to burn up d herbs, we gonna burn down d cane fields.

If you continue to burn up d herbs, we gonna burn down d cane fields. We don't trouble your banana, we don't trouble your corn.

We don't trouble your pimento, we don't trouble you at all. So if you continue to burn up d herbs, we gonna burn down d cane fields.

If you continue to burn up d herbs, we gonna burn down d cane fields.

If you continue to burn up d herbs, we gonna burn down d cane fields.

If you continue to burn up d herbs, we gonna burn down d cane fields.

WoyyPolice in helicopter, a search fi marijuana.

Police man in d streets, searching fi collie weed.
