## **Picture This**

## **Pro-Pain**

he wakes up early to watch regis at ninehis summer clothes are of the finest designhis ethnic maid will serve him breakfast in bedhe likes to travel but lives at club medi've got:pain and problems on my mindyou see i'm wasting time

i've past my primesee the world unwind
take these eyes and leave me blindlife isn't kind - can you picture this?he's got six cars and had seven wiveswho
shared the greed with him all of their lives
life is a peach but sometimes it's the pitswhile on top of cash mountain he sits
