In The Air Tonight

Nonpoint

I can feel it
Coming in the air tonight
Oh Lord
Ive been waiting for this moment
For all my life
Oh Lord

Well if you told me you were drowning
I would not lend a hand
Ive seen your face before my friend
But i dont know if you know who i am
Well i was there and i saw what you did
I saw it with my own two eyes
So you can wipe of the grin
I know where youve been
Its all been a pack of lies

I can feel it
Coming in the air tonight
Oh Lord
Ive been waiting for this moment
For all my life
Oh Lord, Oh Lord

Well i remember
I remember dont worry
How could i ever forget
Its the first time
The last time
We ever met
But i know the reason why you keep me silenced up
No you dont fool me
Cause the hurt doesnt show
But the pain still grows
Its no stranger to you and me

I can feel it
Coming in the air tonight
Oh Lord
Ive been waiting for this moment

For all my life
Oh Lord, Oh Lord
