

Galveston (1969)

[Glen Campbell](#)

Galveston, oh, Galveston
I still hear your seawinds blowing
I still see her dark eyes glowing
She was twenty one, when I left GalvestonGalveston, oh, Galveston
I still hear your seawaves crashin
While I watch the cannons flashin'
I clean my gun, and dream of GalvestonI still see her standing by the water
Standing there looking out to sea
And is she waiting there for me
On the beach where we used to run
Galveston, oh, Galveston
I am so afraid of dying
Before I dry the tears she's crying
Before I watch your sea birds flying
In the sun, at Galveston, at Galveston
