Why Do U Care

Lady Merk

Why do you care
Why do you care
Tell me.... Why do u care..... Bitch!

I be in my bag... birkin. So why do you care if I'm twerking.
Why do you care what I do, who I screw,
didn't you say you out here working.
Why do you care if my ass real. If it wasn't bitch you didn't buy it.
Why do you care where I shop, how I dress, 1 thing for sure you shouldn't try it.
Why do you care, you can't compete if you don't compare.
What you pay for your rent, I spend that on my hair.
And my 30inch virgin be blowing in the air.
Why do you care bout the weed that I roll when it's in my dutch.
Why do you care bout the drink that I'm sipping when it's
in my red cup.
Why do you care bout the chicks that I roll wit,
when I'm in the club.
Why do you care bout me liking your pics when you ain't showing me love...
Nigga!
Why do you care... bitch!
Why do you care... Nigga!
Why do you care... If you don't like me tell me why do you care.
