

Your Best American Girl

[Mitski](#)

[Verse 1]

If I could, I'd be your little spoon
And kiss your fingers forevermore
But, big spoon, you have so much to do
And I have nothing ahead of me
You're the sun, you've never seen the night
But you hear its song from the morning birds
Well I'm not the moon, I'm not even a star
But awake at night I'll be singing to the birds[Pre-Chorus]
Don't wait for me, I can't come[Chorus]
Your mother wouldn't approve of how my mother raised me
But I do, I think I do
And you're an all-American boy
I guess I couldn't help trying to be your best American girl[Verse 2]
You're the one
You're all I ever wanted
I think I'll regret this
