Happy To Give

Journey

I was born a believer, played the fool
Lonely dreamer, left to choose
I don't know where the love is, there's a promise undone
Someone's cryin, in a room all alone
Shadows fall, after the hurt is gone
Through it all, we love and we loseWhere is the one, someone who's happy (happy to give)
Happy to be with you, it's here you belong, with someone
Who's happy (happy to give) happy to give you loveA song for the singer, one book of dreams
Take this heartache, away from me
A page in a story, romance untold
Sharing secrets, we call, our own
Shadows fall, after the hurt is gone
Through it all, we love and we loseWhere is the one, someone who's happy (happy to give)
Happy to be with you, it's where you belong, with someone
Who's happy (happy to give) happy to give you loveHappy, happy, oh happy
(happy to give), oo happy to give
Oh somebody's happy to give you love,
Your love, your love oh yeah
