

Politician (Live At the Barns of Wolf Trap, 1992)

Los Lobos

Hey hey now baby, get into my big black car
Hey now baby, get into my big black car
I wanna just show you what my politics are I pull to the left, but I'm leaning to the right
I pull to the left, but I'm leaning to the right
Don't come around me baby when it comes to a fight I pull to the left, but I'm leaning to the right
I pull to the left, but I'm leaning to the right
Don't come around me baby when it comes to a fight
