Forever Autumn

Vigrass & Osborne

The summer sun is fading
as the year grows old
And darker days are drawing near
The winter winds will be much colder
Now you're not here.

I watch the birds fly south
across the autumn sky
And one by one they disappear

I wish that I was flying with them
Now you're not here.

Like the sun through the trees
you came to love me

Like a leaf on a breeze you blew away

Through autumn's golden gown
we used to kick our way
You always loved this time of year
Those fallen leaves lie undisturbed now
'cause you're not here
'cause you're not here
'cause you're not here

Like the sun through the trees
you came to love me
Like a leaf on a breeze
you blew away

A gentle rain falls softly
on my weary eyes

As if to hide a lonely tear
My life will be Forever Autumn
'cause you're not here
'cause you're not here
'cause you're not here
