

Spittin' Game (UK Live Radio Version)

Anthony David

I can walk on air, I can walk on fire
I'll do anything against you, baby
I give you what you need and what you desire
I make your every waken thought about me, yeah I can be your superman lover
(Girl, girl, girl)
It's on your Monday morning blue
And two and Friday night and party I'll take my time with you
You give me time to groove
Everything I want and more
Let's explore and I'm sure that [Chorus]
I can do it with my eyes closed
'Cause I know how to treat a woman
With my hands behind my back
I can keep the good loving coming Didn't you think that I know
How to touch you the right way?
I do it with my eyes closed
Don't you ever forget it What's good for the soul is good for the body
So let me satisfy your spirit, baby
I keep it on the low, I ain't telling nobody
But it ain't my fault if the neighbors hear it, baby Guarantee to ease your mind
Sooth your backbone and your spine
That's the plan that I've designed
And you won't regret it 'Cause girl, I want your love so bad
I can taste it
A golden opportunity
So don't you waste it [Chorus] Didn't you think that I know
How to touch you the right way?
I do it with my eyes closed
Don't you ever forget it [Chorus] Didn't you think that I know
How to touch you the right way?
I do it with my eyes closed
Don't you ever forget it
