

Mystery Train

Neil Young

Train I ride, sixteen coaches long
Train I ride, sixteen coaches long
Well that long black train took my baby and gone
Train, train, comin round, round the bend
(Mystery train, mystery train)
Train, train, comin round, round the bend
(Mystery train, mystery train)
Well it took my baby, but it never will again
No, not again
Train, train, comin down, down the line
(Mystery train, mystery train)
Train, train, comin down, down the line
(Mystery train, mystery train)
Well its bringin back my baby
Because shes mine all mine
Train, train, comin down, down the line
(Mystery train, mystery train)
Train, train, comin down, down the line
(Mystery train, mystery train)
Well its bringin back my baby
Because shes mine all mine
