Quasimodo

Loxy

You can be right
And I'll be real
Oh, and it still won't be a pain
That you will have to feel
'Cause I don't need your approval
To find my worthI'm trapped inside of my own mind
Afraid to open my eyes
'Cause of what I'd find and I
Don't wanna live like this anymoreThere goes my pain
There goes my chains
Did you see them fallin'?Because this feeling
That has no meaning
There goes the world
Off of my shoulders
There goes the world
Off of my back
There it goesDoes it scare you that I can
Be something different than you?
Would it make you feel
More comfortable if I wasn't?
Well you can't control me
And you can't take away from me
Who I amThere goes my pain
There goes my chains
Did you see them fallin'Because this feeling
That has no meaning
There goes the world
Off of my shoulders
There goes the world
Off of my backBut you can't change me
You can't break me
There goes the world
Off of my shoulders
There goes the world
Off of my backOh have you ever felt
Like your only comfort was your cage?
You're not alone
Oh I've felt the same as you
Oh have you ever felt

Like your secrets give you away?
You're not alone
Oh I've been there too'Cause everyone is lookin'
And everyone is laughin'
But I think everyone feels the same
Everybody wants to feel okay
And everybody wants to
Everybody wants to feelThere goes my pain
There goes my chains
Did you see them fallin'?Because this feeling
That has no meaning
There goes the world
Off of my shoulders
There goes the world
Off of my back'Cause I don't want it
I don't want it
But you can't change me
You can't break me
There goes the world
Off of my shoulders
There goes the world
Off of my back
There it goes
