Who's Cheatin' Who

Alan Jackson

Everywhere you look, you can write a book
On the trouble with a woman and a man
But you can not impose, you can't stick your nose
Into something that you don't understandBut still you wonder
Who's cheatin' who, who's being true
Who don't even care anymore
It makes you wonder

Who's doing right with someone tonight
And who's car is parked next doorI thought I knew her well, I really couldn't tell

That she had another lover on her mind
You see it felt so right when she held me tight
How could I be so blind?But still you wonder
Who's cheatin' who, who's being true

And who don't even care anymore

It makes you wonder

Who's doing right with someone tonight
Who's car is parked next doorA heart is on the line each and every time

Love is stolen in the shadows of the night Though it's wrong all along it keeps going on As long as you keep in outta sightBut still you wonder

Who's cheatin' who, and who's being true

Who don't even care anymore

It makes you wonder

Who's doing right with someone tonight

Who's car is parked next doorBut still you wonder

Who's cheatin' who, and who's being true

Who don't even care anymore

It makes you wonder

Who's doing right with someone tonight

Who's car is parked next doorBut still you wonder

Who's cheatin' who, and who's being true

Who don't even care anymore

It makes you wonder

Who's doing right with someone tonight Who's car is parked next door
