

While the End Is Coming (Remastered)

Acid Death

Within the thin light of every dawn
I see a future which I know I'll miss
I see joy on faces of children and men
I hear all sounds even the snake's hiss
Beyond the cell bars that keep me from you
Remorse is my heaven and fate so strong
And I repent for ever more
Soon I'll be no more I think it's for the best
I've done my deeds and wrong I'll pay
But I see the dawn
This thought drives me mad but I want to feel
For the last time how a free child laughs
Within dawn's dim light I see forgiveness and serenity
A purple vein over my sins, but I pay mine and I'll pay yours
Before my ending that frees you from me-remorse is
Remorse is my heaven and fate is so closed-oh so closed
And I repent for ever more
Strange words-maybe make you feel
Like this man out there, like the man
Who stands in the beginning of a tale, a tale which seems to be
As honest like a child's kiss
