

Bounce

Blue

Give, give me more
Step on the floor
You're the type of girl
That I've been looking for I don't know much but one thing I know
You're making it hard to keep it down low
If you ever wanna come to my show
V.I.P, backstage, front row Never seen a girl looking so fine
Get a little vibe and it's about time
Right beside a diamond you would still shine
24 K, all day, let's ride Rock you all night long
Till I lose control
I'll never let you go Give, give me more
Step on the floor
You're the type of girl
That I've been looking for All the fellas in the house tonight
Are you gonna bounce
Bounce with us tonight? Give, give me more
Step on the floor
You're the type of girl
That I've been looking for Doing it right
Are you gonna bounce
Bounce with us tonight? I don't know much but one thing I know
If you wanna stay I'm not gonna go
Tell me just a simple yes or a no?
Not maybe, we'll see, don't know Not about the things you think I will flash
Gotta realize you need your own cash
You don't have to worry 'bout my past
Just two girls, score card, first class Rock you all night long
Till I lose control
I'll never let you go Give, give me more
Step on the floor
You're the type of girl
That I've been looking for All the fellas in the house tonight
Are you gonna bounce
Bounce with us tonight? Give, give me more
Step on the floor
You're the type of girl
That I've been looking for Doing it right
Are you gonna bounce

Bounce with us tonight?
Bounce with usHere we go
Everybody wants to get down like that
Down like that, down like that
Everybody wants to get high like that
High like that, high like thatEverybody wants to get down like that
Down like that, down like that
Everybody wants to get high like that
High like that, high like thatGive, give me more
Step on the floor
You're the type of girl
That I've been looking forAll the fellas in the house tonight
Are you gonna bounce
Bounce with us tonight?Give, give me more
Step on the floor
You're the type of girl
That I've been looking forDoing it right
Are you gonna bounce
Bounce with us tonight?Give, give me more
Step on the floor
You're the type of girl
That I've been looking forAll the fellas in the house tonight
Are you gonna bounce
Bounce with us tonight?Give, give me more
Step on the floor
You're the type of girl
That I've been looking forDoing it right
Are you gonna bounce
