

# Hail, Hail

## Pearl Jam

Ah, is there room for both of us  
Both of us apart  
Are we bound out of obligation  
Is that all we've got? I get the words and then I get to thinkin'  
I don't wanna think, I wanna feel  
How do I feel?  
How do I? If you're the only one  
Will I never be enough, yeah?  
Hail, hail the lucky ones  
I refer to those in love, yeah Oh, how I'd love ya  
Till the day I die and beyond  
Are we goin' to the same place?  
If so can I come? It's egg rollin', thick and heavy  
All, the past we carry  
Oh, I could be new  
You under-estimate me If you're the only one  
Will I never be enough, yeah?  
Hail, hail the lucky ones  
I refer to those in love, yeah I sometimes realize  
I could only be as good as you'll let me  
Are you woman enough to be my man?  
Bandaged hand in hand Black lining on the run  
In a race that can't be won, yeah  
Oh, hail, hail the lucky ones  
I refer to those in love, yeah If you're my only one  
So good, you, only one  
I want to be your one  
Enough, you won, your one, your one
