Take It Slow

J Boog

Hoo, baby, I said baby, oh hey
Let's talk tonight
Baby, I said, baby, well oh well, oh babeYou have me ready to take off like a fighter
When I do my snake you bite tip with your tiger
You are the crop and the cream, have me hooked like a fiend
On what you got so sweet
Everything about you is cool, and mama there is no foolin
Your body's right, yeah
You make me think of some ooh tune
Like MJ said, that girl is mine
If I can suss outta em soon
I take her back to the room, she want me tonight yo
That's when I say
Let's take it slow, slow, baby
Cause your loving is worth the wait
No more words cause my breath you'll take
Let's take it slow, slow, slow baby, yeah
Cause your loving is worth the wait, yeah
No more words cause my breath you'll takeOoh See I don't wanna risk nothing baby
With you I will patiently wait, for the best of you if it takes
Longer than we know, I don't care the seasons come and go
Baby I will be here, with you through the years
So just let it flow, nice and slow
You would know, that I am for real, baby I am for realLet's take it slow, slow, baby
Cause your loving is worth the wait
No more words cause my breath you'll take
Let's take it slow, slow, slow baby, yeah
Cause your loving is worth the wait, yeah
No more words cause my breath you'll take
Let's talk tonight, just me and you
Well oh well, listen, ya
You have me ready to take off like a fighter
When I do my snake you bite tip with your tiger
You are the crop and the cream, have me hooked like a fiend
on what you got so sweet
Everything about you is cool, and mama now is no foolin
Your body's right yo
That's when I sayLet's take it slow
Slow baby

Cause your loving is worth the wait
No more words cause my breath you take
Let's take it slow, slow, slow baby, yeah
Cause your loving is worth the wait, yeah
No more words cause my breath you takeOooh hey
Na na na na babe
This is J Boog, oh boy
Well oh well, oh babe
