Tell about to get the pussy, shake that ass
Pop that, pop that, pot that, pop that
The night s young, fuck her
Word to Aaliyah, age ain t nothing but a number
See my whisky in its teens, my women in their 20 s
I was never good at names, so I call em by their cd s
I let em fuck it with me
But I m still tryin to fuck, Hollywood got her ways
But I still keep in touch
Tell her don t call us, we ll call you
I fall through, it falls through to take winner
They say I m going overboard, I m a quick swimmer
Flipper I see where they hit my nigga past a .
looking like a pastor, hallelujah, I hardly knew her
CafÃ© and the duces what I threw her
You know the new her, I know the old hoe
Pussy wet, shit dripping like
Girl, your titties sitting right here, wanna bite ye
I m a fuck you right here, all night here
Gonna bring you to my house, yeh, on the couch, yeh
Lock the pussy up
Girl, your titties sitting right here, wannna bite ye
I m a gonna fuck you right here, all night here
Gonna bring you to my house, yeh, on the couch, yeh
Lock the pussy up
She gimmy that box cause I m that nigga
I make it burst it open and return to sender
And put it all in a song, see, I kiss and tell
Tell her she can kiss my ass if she disrespect
But I would never leak her photos on the internet
That s not me, that s not me, I know Drizzy been inside one of my top three
I know Rosta been inside one of my top five
But if you start asking questions, we re going all live
Man, I m going all live
Ask me when I m ready, South side nigga coming down in your direction
Living up to your vision I m a die with an erection
.44 Magnum strictly for protection, I ll go Magnum strictly for protection
Girl, your titties sitting right here, wanna bite ye
I m a fuck you right here, all night here

Gonna bring you to my house, yeh, on the couch, yeh
Lock the pussy up
Girl, your titties sitting right here, wannna bite ye
I m a gonna fuck you right here, all night here
Gonna bring you to my house, yeh, on the couch, yeh
Lock the pussy up
Girl, your titties sitting right here, wannna bite ye
I m a gonna fuck you right here, all night here
I m a bring you to my house, yeh, yeh, on the couch, yeh
Lock the pussy up
I m a take you to the house, I m a take you to the crib
And I m a show you right here
