I Get It

The Muffs

I think I'm underground
Cause I resurrect
Stop, nobody knows
Knows the way you wereI get it, I get it
I get everything
I get it,
I want you to do it againI feel like I should
I always set you good
I feel I got your back
You get it all you didI don't want to remember you
Especially by meI get it, I get it
I get it,
I want you to do it againWhy did I screw with you?
What about the falling parts?
I can reaction and be sorry ,be sorry for loveI don't want to remember you
Especially by meI get it
I get it
I want you to do it again
I'd do it again
I'd do it again
Do it again
