A Sudden Death

The Organ

Day after day , they go
They go to gain just a
Little more control
And when they took yours away
I couldn't sleep at all
I lay in bed for daysI died a sudden death
I made an awful mess
I didn't stand a chance
I didn't stand a chance
'Cause when we where our bestI could care less if people
Bred themselves to death
Oh, but now that you are gone
I just know that everything is wrong
Don't leave me alone now
