No Head, No Backstage Pass

Funkadelic

She said I know the drummer, can you let me in?
Tell the guitar player I brought a friend
Ask the roadies do they need a hand?
Tell the manager there's a girl named JanThe doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"Not by the hair of my chinny chin, chin
If you ain't giving head, you ain't getting inThe doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"
The doorman said, "No head, no backstage pass"I'm a friend of the drummer, can you let me in?
Ow-woo, ow-woo, a yabba-yabba yabba-yabba awooShe said I know the drummer, can you let me in?
Tell the guitar player I brought a friend
Ask the roadies do they need a hand?
Tell the manager there's a girl named Jan
