Say It Again (feat. Adam Levine)

Natasha Bedingfield

No need to translate,
'Cause my eyes give me away,
Even though my lips don't say.This should be so easy,
But my head gets in the way,
All the things that I want to tell you.You're the most perfect yet,
Most definitely that I've met,
And I wonder if you know that's how I feel about you.
I hope you know.[Chorus]
'Cause I have so much love for you.
Do with it what you will.
And I have nothing more to prove,
Say to me what you will.
Say, say it again.Not enough lovers in life to go around
But there's you and there's me,
If we don't start it out, mmm.
It's not hard to let go
Enough to let me in.
If it's meant to be,
It can only be good.You're the most perfect fit,
Most definitely that I've met,
And I hope that you feel the same way too
About me, just let me know.[Chorus]Can you take it from me?
(Can you take it?)
If I give, can you receive? Oh,
(Can you take it?)
I'm reaching out,
(Can you take it?)
Giving everything.
(Will you take it)
I give you my heart, I give you my soul,
I give you it all.[Chorus: x2)
