Speartooth

Acrania

It was said that thunder and lightning
Fire and water came from Heaven
They said we should fear them blindly
And on Earth with our mourns
Feeding on sorrows the mighty beast lives on
One great and untouchable beingRise, Speartooth! Rise! [x3]
Drink our blood and take our soul
Rise, Speartooth! Rise! [x2]
How long have you been waiting for...
To sink your claws?
Half living. The beast keeps roaming with our fears
Half dreaming. Just wake up, don't take too long
Half living. The beast keeps roaming with our fears
Half dreaming. Do you remember how to bleed?
MY VOICE IS STILL FOR WAR
OUR VOICE IS STILL FOR WAR!Grab, grab your helmet, grab your sword
Throw away your symbols and your ghosts
You, you have to march on your own
Kill the king and burn your gods!Rise, Speartooth! Rise!
Drink our blood... and take our soul!
Half living. MY VOICE IS STILL FOR WAR
Half dreaming. OUR VOICE IS STILL FOR...
RISE, SPEARTOOTH! RISE! [x2]
How long have you been waiting for...
To sink your claws?
My sedated beautiful life
My medicated human race
Monochromatic existence
Frozen synapsesI've begun to burn my mortal cities
At dawn all its echoes will be suffocated
There will be no frontiers nor chains!
No fears and no disgraceRise, Speartooth! Rise! [x3]
Drink our blood and take our soul
Rise, Speartooth! Rise! [x2]
How long have you been waiting for...
To sink your claws?
