Angel

Dean Geyer

Your silhouette it haunts me now
A thousand times a day
Skin from tears of days the past are all that still remain
Seems nothings gonna change round here
The way I feel, I'm feeling now
Your photographs they taunt me now
Portray my yesterdays
Frozen by the same old fears that keep me in this space
Is there nothing I can do or say to change you mind?
Girl, to make you mine
I'd give anything to see you again
I'd give everything to hold you
Angel, won't you save me from myself?
Coz the words I've spoken left me broken now
Angel only you know how
Shadows of a distant past dance around the room

All these walls are empty now but for memories of you
Is there nothing I can do or say to change you mind?
Girl, to make you mine
I'd give anything to see you again
I'd give everything to hold you
Angel, won't you save me from myself?
Coz the words I've spoken left me broken now
Angel wont you save me? Save me!
My soul has spoken
I cant turn back now
Angel, what I've said and done
I cannot hide except in stone and its just in time
And I plea with you just one more chance to show you who I am
Angel wont you save me? Save me!
Coz the words I've spoken left me broken now
Angel wont you save me from myself
Won't you give me your hand?
Coz only you know how
Your silhouette it haunts me now
