

# Unfit (death before taxes)

## KMFDM

You are the sweetest disease for me  
I can't hear you say please to me  
There's nothing you cannot say to me  
Come on get down and pray with meGet down, shut up, come on in  
It's time to take your medicine  
I'm unfit, I'm unfair  
You can't feel and I don't careGet down, shut up, come on in  
It's time to take your medicine  
I'll wipe a stripe on you tonight  
I'll tee you high and you will flyThere's no feeling inside of me  
You'll see nothing can hide in me  
You'll find nothing can feed on me  
Don't look, listen or believe in meGet down, shut up, come on in  
It's time to take your medicine  
I'm unfit, I'm unfair  
You can't feel and I don't careGet down, shut up, come on in  
It's time to take your medicine  
I'll wipe a stripe on you tonight  
I'll tee you high and you will flyYou are the sweetest disease for me  
I cannot hear your please to me  
There's nothing you can say to me  
Come on get down and pray with meGet down, shut up, come on in  
It's time to take your medicine  
I'm unfit, I'm unfair  
You can't feel and I don't careGet down, shut up, come on in  
It's time to take your medicine  
I'll wipe a stripe on you tonight  
I'll tee you high and you will fly, fly, you willGet down, shut up, come on in  
It's time to take your medicine  
I'm unfit, I'm unfair  
You can't feel and I don't care, get downYou are the sweetest disease for me  
I cannot hear your please to me  
There's nothing you can say to me  
Come on get down and pray with me
