

# Happy Mistakes

## Heffron Drive

Even at the top of the mountain  
There's another hill to climb,  
So get ready for a long walk now,  
So get ready for another mile,

If it all amounted to nothing  
would we put ourselves through this?  
No we didn't have a fall-back plan,  
No we didn't leave a home to miss

Cause

We got what we need

And we're looking for a miracle  
No, we don't mind waiting  
No we don't mind.  
looking for a miracle  
No we don't mind waiting,  
No we don't mind

No they said that we'd never make it,  
but maybe we already did  
We've been traveling a long road now  
We've been giving all we have to give

Let's remember the happy mistakes  
that we might have forgot along the way  
It's better to be humble now  
It's better to admit we stray

Cause

We got what we need

And we're looking for a miracle.  
and we don't mind waiting  
No we don't mind.  
looking for a miracle  
No we don't mind waiting,  
no we don't mind
