

Rookie of the Year (live)

Funeral for a Friend

The promise that he made
Left broken on the floor
The bruise left round your heart
Left you begging for more Thank you for making me
Worthless in your eyes
In hope and desperation
I'll find my only light
In your white wedding dress Thank you for making this
The best day of my life
In hope and desperation
I'll find my only light And in everything I've seen
I am open to everything
And time will, will take us all and
Drown us in it's wake
And clearly I will stay and wipe the blood from
Your white wedding dress
